## **ADVANCE LAND ACQUISITION REVOLVING FUND**

The Advance Land Acquisition Revolving Fund (ALARF) was established to support the implementation of capital project and facility programs in the county. Acquisition of land in advance of actual construction saves money in the face of rising land prices and enables suitable locations for facilities to be secured before development eliminates choice and forces acceptance of a less accessible or desirable site. ALARF-MCG is used to purchase land for various public facilities which are either approved in the capital program or which appear in adopted area master plans.
